

because it is important because
when we are young we are learning
and playing together.

And important is to give us the
future experience.

- This is a give us friendship
music, dance and art

Because dance is good for health and we
get exercise. And this give to happy for all to dance
as friendship.

Dance is important.
Because we need body movement.
Body movement is good for
health. Art and music is also
good.

- music made us happy.
- Art is important to create things.
- Dance is a movement part of body.

Art is a important to creat the new, need
to use our own.

When the music are important
because music
made happy for us.

DIFFERENT, GOAL AND HOBBY

- Some kid want to be supergailly and create power

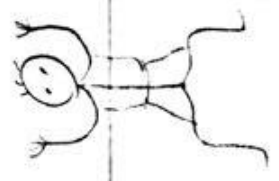

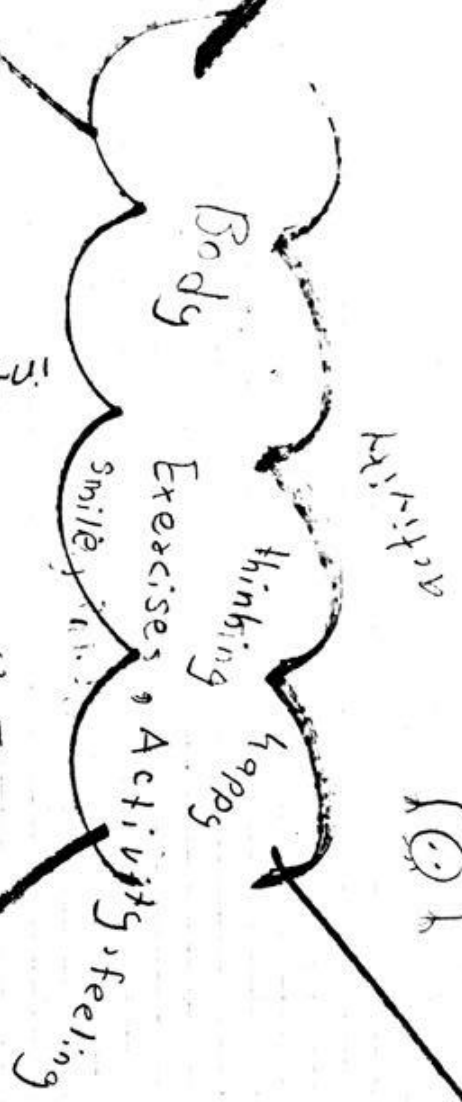

Person's not selfish

Working since and
I have to sleep

music and activity in important because if they
 and sing song will give they happy when they bor
 if we teach all day they don't interest about
 this lesson. so music is important for student.

Music is important to
 because sometime when the bo
 it may dance and sing song
 be give they happy.

interest

fresh brain and body of
 body is strong and healthy

the music is important for the student
 because they will lazy in the class
 but I can
 I like to sing music

for children because made feel good and sometime they like to dance. I think dancing is important help for health too. (can get exercise)

dance

happy, active, thinking, health, exercise

drawing

because, children are not as sleepy in the class

children are so happy about it

Because they can be doing, singing, drawing and active. They like it. So that is good for their future.

It is important for kids because if they are late and sleepy in class music can help to act.

happy and they like happy when they listen but when

because when students feel bored
music is very important

art is important the kids
because to improve their skill
and what they think and they
can draw it and show other people

happy
important for
the kid. because
they like it
music class
they like it
music make a happy

Dancing is important the
children because sometimes the
children sleep in class so we can make
a dancing to our class and then they

Why
+ healthy
